Multiple Choice In-Basket Exercise - Veranium Corporation Inc.

Candidate: Smith, John Evaluation date: 2010/01/13

Explanation Note for this Type of Exam

The Veranium Corporation Inc. Multiple Choice In-Basket Exercise assesses a candidate's ability to react to situations that might be encountered on the job in a middle management position in an exploitation and sales context. These situations can touch several topics such as client satisfaction, employee requests, activity reports, and budgets.

Following the 12 situations presented in this In-Basket, 60 multiple choice questions were submitted to the candidate. In this context, the candidate had to choose the most appropriate statement to answer the different questions asked.

These questions call for the management abilities usually required for this level of position and aims at assessing seven (7) assessment criteria.

Rating Scale

For this report, the results are presented using the following rating scale:

Excellent 5	The candidate responds to the main aspects and criteria of the evaluation and his/her responses are appropriate. The candidate has surpassed expectations.
Very good 4	The candidate responds to most of the criteria of the evaluation and there were no major deficiencies noted for the aspects evaluated. The candidate demonstrated an above-average performance.
Good 3	Some of the main and secondary criteria of the evaluation were raised. The candidate demonstrates some minor deficiencies with regards to the evaluated criteria.
Weak 2	The candidate omits important aspects and criteria of the evaluation. The candidate presents some major deficiencies and is having problems.
Poor 1	The candidate omits most of the aspects that are evaluated and presents several major deficiencies. The candidate is incapable of responding or the answers are inappropriate.
Absent 0	The candidate did not demonstrate this evaluation criterion in any way.
